V-TECH

V-580 R1234yf AC Machine

Introducing the V-580 R1234yf Air Conditioning Machine from the VeriCool range, designed for modern workshops. This service unit features a built-in database and printer for easier maintenance and is compatible with petrol and electric vehicles using R1234yf refrigerant. The V-580 ensures efficiency and reliability, keeping your workspace updated with the latest air conditioning technology.

Features

- ✓ Fully automatic: it can do recovery, vacuum, charge.
- ✓ 5 digital scales, respectively for PAG oil, POE oil, UV dye, drained oil and cylinder gas.
- ✓ 4 completely sealed oil bottles (1pc PAG, 1pc POE, 1pc UV dye, 1pc oil drain),
- ✓ Database and printer. The database can be updated using an SD card.
- ✓ 10-inch touchscreen, clear and user-friendly.
- ✓ Self-protection system: when the fan stops, the machine stops.
- ✓ Leaking hunting function
- ✓ Strong operation menu
